"The 2021 Chester-Kidder opens with a balsamic tinge, blending crushed plums and grilled sage with dark chocolate and hints of spice. Cool-toned and racy in feel, it swirls across the palate with ripe wild berry fruits, offset by sour citrus and cocoa."

JEB DUNNUCK

"Aged 30 months in French oak, 85% of it new, it's a powerhouse of a wine, richly layered and concentrated, with a suppleness to the tannins and mouthfeel. There's dark fruit and baking spice that contrast against the Syrah's brooding gamey garrigue."

"Very perfumed with aromas ranging from lavender, graphite and sandalwood to purple plum, blueberry and black pepper. Firm and compact on the palate, with a full body and dense, chewy tannins."

"It has pure aromas of cassis, violets, milk chocolate, soy sauce and graphite. The full-bodied palate is ripe and plush with nuanced, spicy flavors, juicy acidity and a long, latent finish."
