

LONG SHADOWS  
2021 CHESTER-KIDDER

**WINE ENTHUSIAST**  
MAGAZINE

"The meatiness of this wine is quite appealing, rather as if you roasted a pork shoulder rubbed with rosemary, thyme, and black pepper. It offers aromas of black cherries, leather, and cigar box. The wine's slippery texture escorts rich flavors like blackberry pie and black coffee, making it seem like a meal in a glass.

**JEB DUNNUCK**

"Aged 30 months in French oak, 85% of it new, it's a powerhouse of a wine, richly layered and concentrated, with a suppleness to the tannins and mouthfeel. There's dark fruit and baking spice that contrast against the Syrah's brooding gamey garrigue."

**JAMES SUCKLING.COM** 

"Deep and compact red, full of ripe dark berries, chocolate, licorice, vanilla and crushed hazelnuts. Full and dense on the palate with velvety and broad tannins. Very long and opulent, with chocolaty character in the finish."

WINE ADVOCATE

"It has pure aromas of cassis, violets, milk chocolate, soy sauce and graphite. The full-bodied palate is ripe and plush with nuanced, spicy flavors, juicy acidity and a long, latent finish."
