

LONG SHADOWS

2021 SAGGI

## JEB DUNNUCK

"Beautiful red fruits, cedary spices, dried flowers, tobacco, and a kiss of leather all emerge from the 2021 Saggi Red Wine. With medium-bodied richness, it has plenty of mid-palate depth, ripe, polished tannins, and a great finish. This is one sensational Sangiovese from Washington that readers will love. It should keep for a decade."

"This super-Tuscan style wine began at Long Shadows in partnership with the Folonari family of Italy. Black cherries, blueberries, suave oak spices and a hint of pepper."

"Dusty rose and leather tones give way to dried black cherries as the 2021 Saggi comes to life in the glass. It's soothingly round and pure in style, with ripe wild berry fruits and mineral tones that cascade throughout."
