

Julia's DAZZLE

2024 Rosé

Julia's Dazzle Rosé was developed by Long Shadows Vintners founder, Allen Shoup, and named after his granddaughter Julia.

Winemaker Gilles Nicault crafts this limited production Rosé having developed his winemaking skills in Provence, the world leader in Rosé.

Pinot Gris grapes from select Columbia Valley vineyards were left to hang until they developed a bright tint, then gently pressed and the clarified juice slowly fermented at cool temperatures to retain its intensely vibrant aromatics and flavors.

TASTING NOTES:

Crisp and expressive, the 2024 opens with notes of wild strawberries, white peach, and citrus zest. Hints of rose petal and watermelon add delicate complexity, while a lively acidity brings balance and a refreshing, dry finish.
