

LONG SHADOWS

2020 PIROUETTE

JEB DUNNUCK

"Based on 66% Cabernet Sauvignon, 30% Merlot, and the balance Cabernet Franc and Malbec, the 2020 Pirouette offers more high-toned aromatics of plums, liquid violets, incense, and dark chocolate. These carry to a medium to full-bodied, nicely balanced, dense 2020 offering ripe tannins and outstanding length."

"The 2020 is spicy with a dark and brooding bouquet of musky black currant, grilled herbs, cocoa and ashen stone. This is velvety smooth yet lifted in feel, with a combination of red and blue fruit that flows across a core of juicy acidity."
