

LONG SHADOWS

2021 SEQUEL SYRAH

JEB DUNNUCK

"The 2021 Syrah Sequel is deep purple-hued with a rocking nose of cassis and blackberry fruits interwoven with notions of smoked meats, chocolate, and peppery herbs. It's full-bodied, rich, mouthfilling and textured, with ripe tannins and a great finish."

"Polished Syrah with notes of cracked pepper, olive tapenade, black plum, mocha and sage. Inky, dark and firm on the full-bodied palate, with a solid, chewy tannin frame."

"It's silky smooth yet lifted in feel, with a mass of ripe red and black fruit that takes on a tart suturing effect toward the close. Edgy tannins resonate as this finishes long and structured, leaving hints of salted licorice and clove."
