2022 PEDESTAL MERLOT

JEB DUNNUCK

"With grapes from Dionysus, Weinbau, and Candy Mountain, the 2022 Merlot Pedestal adds 17% Cabernet Sauvignon and 3% Petit Verdot, creating a wine of tremendous richness, full-bodied weight and length. Fermented in big oak upright tank, it offers a perfumed bouquet of sage and black cherry, gunsmoke, oak spice, and refined tannins."

"Deep and brooding, this wine reveals aromas of blackberries, dried figs and roasted walnuts, wrapped with sweet spices and earthy undertones. The palate is bold with velvety tannins. A core of dark fruit gradually unfolds, leading to a smooth, lingering finish."

"The 2022 Pedestal Merlot opens slowly in the glass as an array of sweet herbs, crushed violets and stone dust complement dried blueberries. It is elegant in feel, with velvety textures and a wave of polished red and blue fruits that slowly drench the palate in concentration. Structured and long, the 2022 leaves a balsamic twang and a hint of citrus that enlivens the senses."
